

Annamarie Martinez, R.N.

Ms. Martinez has a Bachelor's degree in Nursing. She has provided skilled nursing skills for critical premature infants and prepared/educated patients with special care procedures for newborn care and monitoring/medication.

For over twenty years Ms. Martinez has successfully completed duties as a staff nurse at several prominent medical facilities within the country, including Palomar Hospital, Escondido California; Marin Hospital, Greenbrae California; St. Johns Hospital, Jackson Hole Wyoming; Aspen Valley Hospital, Aspen Colorado; El Cajon Valley Hospital, El Cajon California; Pomerado Hospital, Poway California; UCSD Hospital, San Diego California; Paradise Valley Hospital, San Diego California and Scripps Hospital, Chula Vista California.

Ms. Martinez has been dedicated to the care and development of children and infants. Her work on prenatal care for pregnant women has been exceptional. As the Maternal Child Clinical Coordinator of Home Care Services she has trained staff personnel in the management of home care visits and coordinated community engagements on issues of prenatal care.
